Thank You Earl Parents and Teachers!!!!

The walk-a-thon was held on October 21st. We're proud to announce that once again with the support of parents and teachers it was an enormous success for Earl. The PTO would like to thank everyone for their support and ask that you convey our deepest appreciation to all of the sponsors that encouraged their student. Once again your generous contributions will enable us to continue to support the school throughout the year.

Child Care

The PTO has arranged for child care during our monthly PTO meetings. Please feel free to take advantage of this free service so that you may have the opportunity to join us. We would love to hear your input. Our next meeting is Tuesday, December 6th. Plan ahead to be there.

Storage Shed & Pavilion

Each year, the PTO raises funds to improve our school. We would like to improve our Outdoor Classroom. We would like to build a storage shed and a pavilion. The shed will hold all the materials needed to maintain and use the classroom. The pavilion will provide an area that can be used for instruction or project work. We feel that the addition of these structures will enhance our students' education. However, we need the support of our Earl community to complete this task. We lack the knowledge and expertise needed to plan and execute these projects and are looking for parents or community members who would be willing to their donate their time and expertise to assist the PTO in achieving our goal of enhancing the Outdoor Classroom and ultimately our school.

If you are willing to provide assistance with these initiatives, please contact me at bestnumber12@aol.com or 484-645-5657.

Thank you for all the support that you have given to Earl, without your participation, the PTO would not be able to provide these additional assets to the school and students.
