

BABY PICTURES IN COLOR

Dear parent(s) or guardian(s),

These school years are filled with memories and the BEAR Staff would like to provide you with the opportunity to say what your child has meant to you. We have devoted room in the yearbook where senior parent(s)/guardian(s) can place messages. This section has continued to grow in popularity with each yearbook as parents like the idea of a personal touch. In addition to parent(s)/guardian(s), we offer grandparents, and friends of the family the opportunity to also submit a personal message.

For \$50.00 you may include your child's baby picture, and message, in the 2008-09 yearbook. A personal message(s), maximum 35 words, and one picture constitute as a 1/8th page display. You are responsible for the photo quality. We are not responsible for poor quality pictures. Please, identify all pictures on the back of picture with student's name.

Other popular options are listed below.

I would like to purchase the following baby picture space, and enclosed you will find the following: Please check below and return by **Jan. 16, 2009**
