

January 22, 2010

Dear Parent/Guardian:

You are encouraged to attend Boyertown Area Senior High School's Parent Conference Night on Thursday, February 11th. Conferences will be held between 5:30 and 8:30 p.m. These conferences will allow you to dialogue with individual teachers about your child's learning and classroom performance.

We will begin scheduling conferences on Thursday, February 4th. To schedule a conference, please call the senior high library at 610-473-3650 between the hours of 8:30 a.m. and 3:00 p.m. When you call, a secretary will answer your call and schedule the appropriate conferences for you. By scheduling in advance, teachers will be better able to prepare for your conference and collect specific student data which will make the conference more meaningful. To assist us with our planning, we would appreciate parent(s)/guardian(s) scheduling their appointments no later than 3:00 p.m. Thursday, February 11th. Prior to calling, please make sure you know each teacher's name and subject matter. This will make the scheduling process more efficient while enabling us to answer your phone calls more efficiently. May I remind you that some of our courses are co-taught by two teachers.

I would also like to remind parents/guardians of current sophomores and juniors that we will be providing a presentation relative to the course selection process at 7:00 p.m. in the senior high school's auditorium. This presentation is designed to provide you with information regarding the high school curriculum and the process we use for course selection. Specific items to be addressed include: course requirements, credit status, college planning, advanced placement courses, and dual enrollment opportunities.

I look forward to seeing you on February 11th. Please bring the enclosed map and teacher locator sheet with you. As always, we appreciate your continued support and involvement.

Sincerely,

Brett A. Cooper
Principal
