

Dear Parent(s)/Guardian(s),

As the school year comes to a close, the Math Department at Boyertown Area Senior High would like to supply you with a list of required materials for the 2009-2010 school year. Following the list of required materials is a short list of recommended materials.

Required Materials:

- 2- or 3-inch 3-ring binder
- 3-hole punched graph paper
- Pencils and erasers
- Calculator (Please read statement)

A calculator is required for every math class. Every student is required to have one everyday.

A graphing calculator is required in

- Honors Alg 2
- Pre-Calc and Honors Pre-Calc
- Honors/AP Calculus
- AP Stat/Prob & Stat

As a department, we recommend either a TI-83 or TI-84 calculator. Other brands/models are acceptable, however classroom instructions are geared to the TI-83 and TI-84.

A scientific calculator is required in

- Alg 2 (non-honors)
- Geometry
- Alg 3 with Senior Topics

Calculators such as the TI-30XIIS or the Casio 115 are great. A two-line display is preferable, but any calculator with **s**, **c**, and **t** buttons is acceptable

TI-83 and TI-84 graphing calculators range in price from \$80-\$100. Acceptable scientific calculators range in price from \$15-\$30.

Recommended Materials:

- Folder
- 3-ring pencil case
- 3-hole punched lined notebook or notebook paper

The list of required and recommended materials is a general list. Individual teachers may add required materials for each class at the start of the 2009-2010 school year. Please take advantage of the list to prepare for the upcoming school year.

Thank you and have a great summer,

The Senior High Math Department
