

Home Access Center Registration and Navigation Tips

Over the summer, we switched student information system software providers. The new provider, e-School Plus, has a product that allows parents and guardians to access student grades and assignments via the Internet called *Home Access Center*.

To begin, visit any district secondary building website and click on the “Home Access Center” button on the left side of the page. Read and follow the simple instructions on the page to complete the registration process. If you have any questions or difficulty, please contact Mrs. Bobbie Eddinger at beddinger@bovertownasd.org or 610-473-1777 (fax 610-369-7543).
