

The following courses fulfill the BASH computer graduation requirement...

BJHW & BJHE Computer Courses

- Microsoft MOS Certification Course
- Architectural CADD
- Problem Solving

BASH Courses

Art:

- Computer Graphics
- Intermediate Computer Graphics
- Advanced Computer Graphics
- Animation I
- Animation II

Business Ed:

- Basic Computer Skills
- Web Design
- Video Game Design
- AP Computer Science
- MS Word MOS Certification
- MS Excel MOS Certification
- MS PowerPoint & Access MOS Certification
- Computer Programming Using JAVA
- Advanced Computer Applications
- Advanced Word Processing
- Computer Applications (DE)

Music:

- Piano I
- Piano II

Technology Education Courses:

- Photographic Imaging
- Advanced Photographic Imaging
- Digital Communications
- Advanced Communications
- Technical Drawing and Design
- Engineering Design

- Architectural Design
- Residential Design and Modeling
- Technology & Engineering
- Technology & Engineering Advanced
- Telecommunications I
- Telecommunications II
- Telecommunications III

BCTC:

- Advertising Art & Design
- Auto Technology
- Cinematography and Film/Video Production
- Communication Technology
- Diesel Technology
- Drafting Design Technology
- Electronic Technology
- Graphic Imaging Technology
- Health Related Technology
- Heavy Equipment Technology
- IT Applications
- IT Networking
- IT Programming
- Mechatronics
- Photo Imaging Technology
- Precision Machining Technology
- Robotics and Automation Technology
