

November 2009

Dear Parents:

Ten years ago, the senior high school counseling department began offering periodic evening appointments to accommodate parents who could not get to school during normal daytime or after-school hours. These evening sessions have proven to be both well-attended and productive.

Continuing this successful program, the second "Counselors Are In" night for the 2009-2010 school year will take place on Monday, December 21, 2009, from 6 to 9 p.m. in the high school counseling office. Appointments are limited to fifteen minutes in length in order to accommodate more parents.

Interested parents should call the high school counseling office at 610-473-3690 to arrange an appointment with their son or daughter's counselor. Parents who simply drop in on the 21st will also be welcome, but priority will be given to scheduled appointments.

In addition to the counseling staff, Mrs. Susie S. Groff, our career assistant, will also be available to access our Bridges.com, Choices, and Career Cruising computerized guidance services.

The counseling and support staff for the 2009-2010 school year are as follows:

Mr. David Slider – A – E Counselor
Mrs. Beth Shive - F – K Counselor
Mr. Joseph McGlinchey – L – RH Counselor
Ms. Christy Meitzler – RI – Z Counselor
Mrs. Susie S. Groff – Career Assistant
Mrs. Wilma Schaeffer – Counseling Secretary

We look forward to seeing you on December 21st.

Sincerely,

Joseph F. McGlinchey
Guidance Department Leader

Brett A. Cooper
Senior High Principal
