

Keeping Kids Safe In a Social Networking World

An informative session for parents and concerned adults.

Monday, December 6, 2010

7:00 – 8:30 p.m.

Boyertown Area Senior High – LGI Room

Enter through the East Entrance

This session includes:

- ☞ Information about adolescents' most popular social networking sites
- ☞ "Cyber-world" issues, such as cyber-bullying, easy access to drugs, and predators.
- ☞ Tips for caregivers to help protect their children in this electronic age.
