

BBEC Visit Dress Code

You will be visiting a business and must dress according to their requirements. All students are required to wear full length pants (not capris) or nice jeans with no holes, rips, or tears. Shorts or skirts are not permitted. Shirts must have sleeves and midribs must be covered. Flat shoes that cover the entire foot are required- ex: sneakers. Students may not wear perfume, cologne, or strong smelling lotion. All food including gum is prohibited.

****Failure to adhere to all of these requirements will prohibit participation and require the student to remain at BASH and complete an alternate assignment during the day.**
