

BOYERTOWN AREA SCHOOL DISTRICT

WELLNESS INITIATIVE

FITNESS MEMBERSHIP SUBSIDY

With the success of the Wellness Initiative through the Boyertown Area YMCA and other fitness facilities, the School District will be continuing the Wellness Initiative for the next school year. The Wellness Initiative will run September 1st through August 31st.

Here is how the Wellness Program works:

1. Each employee wanting to participate in the Wellness Initiative must complete a **Fitness Membership Subsidy Application** and submit it to BASD Business Office (ATTN: Lisa Wagner) at the Education Center for review and approval.
2. Any employee who has previously completed the application, and actively participated for more than 3 months of the school year, will automatically be eligible for participation in the current school year – a new application will **not** be required if you remain active in the program each school year.
3. The employee is responsible for directly paying the monthly dues to the fitness facility of their choice.
4. Participation in the Boyertown Area School District Fitness Membership Subsidy entails you to abide by and meet all the requirements established by the Wellness Initiative:
 - a. Each month, the employee must provide to the BASD Business Office: **Proof of payment** to the approved fitness facility and proof that the employee had at least **eight gym visits** (*only one visit per day qualifies) during the month, for a minimum of 15 minutes per visit.
 - b. Both the proof of payment and proof of gym visits may be emailed to lwagner@boyertownasd.org IF both the documents are added to the email as attachments. Please do not send pictures of documents or insert them in the body of your email. Proof of both must be able to be printed out. Or you may send in hard copies to the Ed Center instead of emailing them.
 - c. **THE DEADLINE FOR SUBMITTING THIS INFORMATION IS THE 10TH OF THE FOLLOWING MONTH. IF YOU MISS THE DEADLINE, YOUR REIMBURSEMENT FOR THE MONTH IS FORFEITED. NO EXCEPTIONS.**
 - d. When the required monthly proof of payment and visits are received and verified, the participating employee will receive the subsidy in their paycheck (normally in the second pay of the following month). The Reimbursement Subsidy will be \$20.00 per month **or your actual membership dues amount**, whichever is less.
