

2019/20 AP Economics

Our main focus this year is Microeconomics, so that is the test that we will be taking in May. However, we are going to add in Macroeconomics concepts for those of you who want the extra challenge of taking a second exam and trying to gain more college credit.

We are using Google Classroom this year. The code to join is taatft and the class is called AP Economics 2019/20. The link is

The summer assignment is to read chapters 1, 2, 4 and 8 and answer the 20 fill in questions for each chapter. You will turn in the completed answer sheet on the first day of class.

You will be reading The Armchair Economist throughout the year. I will have copies of the book at the beginning of the school year.

You have a large vocabulary packet that is due the day before the AP test in May. THE DEFINITIONS MUST BE HAND WRITTEN!!

I suggest you begin to work on it. You will find it on Google Classroom.

Vocabulary packet is due May 12th 2020 - the day before the AP test. The AP test is Wednesday May 13th in the afternoon. For those who wish to take the AP Macroeconomics test, it is on Thursday May 14th in the afternoon.

PLEASE email me with any questions!!

Stop back in room 612 the week of May 21st – May 24th to pick up your book – this is your responsibility as you need it for the summer assignment!!!

To recap – only the completed answer sheet is turned in on the first day of class!
