

BEAR AMBASSADOR APPLICATION

Name: _____

Homeroom: _____

Application Available: April 5 in the Library

The Bear Ambassador Program was started as a way to help new students have a smoother transition into the middle school setting. The ambassadors have many jobs to complete during the school year. They need to provide assistance and guidance to new students and create a feeling of unity throughout the school. They must also represent and promote the Boyertown Middle Schools in the community. As a Bear Ambassador you will mentor small groups of **sixth** graders, act as guides for activities in our building and assist with other various events throughout the school year.

Your commitment to Bear Ambassadors includes **attending**:

Grade 5 tour: May 2019 (during school)

Training/New Student Days/orientations (multiple days in late August)

Team Building Days – September 2019

6th grade Fun Night – September 2019

Note: These are just a few of the responsibilities of our Bear Ambassadors and are mandatory unless discussed in advance with Mr. Schwegler

If you feel that this program is something that seems interesting to you, please fill out the back of this application. We are looking for students who are willing to be leaders in the school and have a strong character. Bear Ambassadors should be good communicators, hard workers, have patience, be willing to try new activities, and have confidence in meeting new people.

Please return this application to the library drop box by Friday April 12.
