

ELA ACTION PLAN

Earl Elementary SCHOOL
BASD 2019-20

DISTRICT VISION: To foster a learning community that enables all students to succeed in a changing world

DISTRICT MISSION: For all students to be future ready by meeting or exceeding established goals, the Boyertown Area School District will implement coordinated, articulated curricula and provide personalized, planned instruction aligned with Pennsylvania academic standards.

DISTRICT GOALS:

- To ensure responsible and data-informed use of resources.
- To provide a positive, safe, and healthy learning environment.
- To foster open communication, active involvement, and purposeful collaboration among all members of the BASD learning community.
- To offer research-based, personalized, and growth-oriented learning opportunities for all members of the BASD learning community.

DIRECTIONS:

Each building team will develop their own ELA action plan based on a review of pertinent data and opportunities for growth. After a collaborative review of data and student expectations as articulated in the standards, teams should identify an **ELA BUILDING TARGET**.

Next, relevant **STRATEGIES and ACTION ITEMS** can be identified at each grade level. **METRICS OF SUCCESS** will need to be identified to measure ongoing progress. These metrics may include formative, summative, qualitative, and quantitative measures. (feel free to add additional strategy/action items sections below if needed)

Progress monitoring of our work is critical. The final step of the action plan will be to identify **TRIMESTER or QUARTERLY TARGETS** to measure growth throughout the year toward the **ELA BUILDING TARGET**.
