

Holiday School Breaks Local Free Food Providers Website and App

With holiday breaks on the horizon, it is important to remember those in our community who are experiencing food insecurity. [Foodfinder.us](https://foodfinder.us/) is a nonprofit [website](#) and [app](#) (for iOS or Android) that offers the location and contact information of more than 40,000 food pantries and similar food programs across the country. The FoodFinder website and app can be utilized to pinpoint local free food providers within the community.
