MIDDLE SCHOOL EAST

Safety & Well-Being Acceptance & Respect Communication & Collaboration Learning & Growth

To cultivate an exceptional, innovative learning community that enables all students to succeed in a changing world.

March 1, 2023

Dear Parents/Guardians,

This is our first opportunity to welcome you to Middle School East. We are so excited for you to join us! We want all of our students to feel comfortable and have all the tools they need to learn and grow.

In order to provide a comfortable and effective transition, we have created a plan to help you and your child prepare for life at Middle School East. The first phase of the transition will occur during the week of March 20, 2023, when our Assistant Principal, Mr. Marsch, will come to your child's elementary school to provide a welcome presentation. Students enrolled in virtual learning will receive access to the presentation via the BASD Website.

Parents and guardians will have the opportunity to view our virtual welcome presentation beginning Thursday, March 30, 2023. This presentation will detail the instructional program, middle school philosophy, and culture of our school. As we move closer to the start of the new school year, we plan on offering several opportunities for students and parents/guardians to visit Middle School East in person to walk the building and practice opening lockers. Additionally, we are planning an orientation evening in August. These dates will be finalized as we move into the summer. The transition plan continues with more team building activities during the first few weeks of school. Our goal is for every student to feel connected to East.

If you have any questions, please feel free to contact me.

Sincerely,

Dr. Andrew Maoury
Middle School East Principal
