"to enable all students to succeed in a changing world"

July, 2018

Dear Parent/Guardian:

I am writing to inform you that as indicated on the course selection sheets during course registration for the 2018-2019 school year, concurrent enrollment (CE) and advanced placement (AP) course may have course/textbook fees.

Your son/daughter has registered to take the CE Introduction to Education course at Boyertown Area Senior High (BASH) through Montgomery County Community College (MCCC) during the 2018-2019 school year. This is a CE course that has a textbook fee.

On the reverse side of this paper, you will find some helpful information in obtaining this textbook.

Additionally, CE Introduction to Education instructor, Mrs. Jennifer Benning, provided a summer assignment to students who had pre-registered for the course prior to leaving for the 2018 summer break. Any student that has lost/didn't receive the summer assignment should contact Mrs. Benning at jbenning@boyertownasd.org to request the summer assignment.

BASH plans on continuing to expand this program through working in conjunction with MCCC. As an educator, I believe this continues to be a tremendous opportunity for our students and their families. Should you have any questions regarding dual enrollment courses, please feel free to contact my office at 610-473-3680. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Brett A. Cooper".
