

The safety & security of Boyertown Area Senior High (BASH) students and staff is our single greatest priority. Provided below are just some of the proactive measures taken at BASH to ensure everyone's safety while on campus:

- BEAR Essentials of Safety-Respect-Responsibility
- School Resource Office (SRO)/Security Office Personnel devoted to school safety and security
- Safety Care Training for SRO/Security and Administrative staff
- Student supervision at all times
- Video surveillance on school buses
- Video surveillance throughout campus accessible from SRO/Security office
- Limited monitored secured entrances at the start of the school day
- Lockdown of all exterior doors
- Secure main entrance with buzzer system (visual/audio enhanced)
- Visitor ID and Raptor check upon entrance to BASH main office
- Visitor ID badges required for building access
- ID badges for all students
- ID badges for all staff
- SRO/Security staff patrolled campus parking and grounds
- SRO/Security staff monitored hallways
- Frequent local law enforcement building walkthroughs
- District-wide anti-bullying program
- No Place For Hate School
- Volunteer clearances required
- School Safety drills (Fire-Intruder Response-Weather)
