Personal income from Boyertown Earned Income Tax Office

⁽¹⁾ Unemployment rate from the US Department of Labor - Bureau of Labor Statistics. Figures are for the Reading metropolitan area

The implementation of Governmental Accounting Standard Board Statement 44 *Economic Condition Reporting: The Statistical Section* is effective for periods beginning after June 15, 2005. The District has decided to implement this standard early. However, since these schedules were never prepared before, information that was readily available is included and not the required past ten years.
