

Unable to login to Clever on iPad

1. Update the iPad to the newest iOS (Settings -> General -> Software Update) if it is updating to version 13 or above proceed below. If the update is listed below 13, still update but than proceed to “Creating a badge...” directions below.
2. Browse to Clever.com and select “Log in as a student” on top
3. On the “Search for your school” screen select your school name
4. Select “Log in with Active Directory” and a bear sign pops up. If you do not see the bears logo skip to the directions below for “Creating a badge in Clever”
5. Login with just username, kcatagnus and password basd and student id. Ex. k.smith basd123456

Creating a Badge in Clever

6. On a different device - workstation, iPhone, Chromebook login with the steps 2 – 4 above.
7. Under the name, in the upper right corner, select the drop-down box and select download badge.

8. Once downloaded, it should show in your downloaded files as a pdf “clever-badge.pdf”.
9. Print the badge (If your unable to print the badge, please call support center @ 610-473-3500 and we will print it for you to pickup)
10. On the district iPad, browse back to clever.com.
11. On the “Search for your school” screen select your school name
12. Now select “Clever Badge log in” on the right side of the login box.
