

Boyertown Area School District Kindergarten 2024-25

We are pleased to announce our Kindergarten Launch for the 2024-25 school year. These are the first steps toward the wonderful and exciting learning experience your child will have at Boyertown Area School District!

In-Person Format for 2024!

Sign up for Kindergarten Launch
using the
QR code or link below.

<https://tinyurl.com/2024KLaunch>

Kindergarten Launch sessions are an opportunity for the children to meet with our teachers and participate in group and individual readiness activities while parents/guardians learn specific information about each elementary building and review their child's registration.

Each elementary school will host daytime **Kindergarten Launch** sessions for their incoming students. Incoming Kindergarten students and at least one parent/guardian should plan to visit their home school on the designated date below for either the 1:15 pm or 2:45 pm session.

March 22, 2024 - Boyertown, Earl, Gilbertsville
April 17, 2024 - Colebrookdale, New Hanover
Upper Frederick, Washington

If you are unable to join us at your school for a daytime Kindergarten Launch session, please plan to attend a combined evening session for all schools to be held at Gilbertsville Elementary on **May 8, 2024** at either 5:00 pm or 6:30 pm. Teachers from all schools will join us at this central location for the evening event.

Please sign up for one **Kindergarten Launch** session via the QR code or link to the right.

Fall Kindergarten Orientation

We are updating Kindergarten Orientation for the 2024-2025 school year. Individual buildings will communicate the details of their Kindergarten Orientation plans over the summer. Families will receive the information once classroom information has been released.
