Safety & Well-Being Acceptance & Respect Communication & Collaboration Learning & Growth

To cultivate an exceptional, innovative learning community that enables all students to succeed in a changing world.

Dear Parents/Guardians:

We welcome your child to the Boyertown Area School District. Our census records indicate your child will be eligible to begin kindergarten in the fall of 2022. Your child must be five (5) years of age on or before September 1, 2022, to enter kindergarten for the 2022-2023 school year.

The enclosed packet contains instructions on how to access the Online Registration Portal to register your child. You must complete the **online application** through the Boyertown Area School District website or Infinite Campus Parent Portal. Should you not have access to a computer or tablet at home, please visit the public library or request an appointment to utilize the kiosk at the Education Center. Additional documents like **residency verification, birth certification, and immunization records** are also required. These documents can be uploaded to the student's application on the Online Registration Portal at the time of submission, faxed, emailed to the Student Registration Office at basdregistration@boyertownasd.org, or brought to the Boyertown Area School District Education Center.

Physical and dental exams are required for all incoming kindergarten students. **Exams do not need to be completed to register your child for kindergarten.** Exams forms can be downloaded from the BASD Registration page. **Please note Pennsylvania has changed the schedule for immunizations required for entrance into school. All parents/ guardians are encouraged to discuss immunizations with their child's physician and complete these before school starts.**

Your child's registration will be considered complete with the following: the completion of the entire online registration application, proof of parent/guardian's residency (see Residence Verification on registration webpage), birth certificate, and a copy of the physician's record of immunizations showing month/day/year of each immunization dose.

You will receive an email notification once your child's application is in the review process. Kindergarten registration can be a busy time, so we encourage you to email your questions to basdregistration@boyertownasd.org for a quicker response. If you do not have all the required documentation, your child's registration will be considered incomplete. You will receive email notification of the missing documents.

If you do not intend to register your child for the 2022-2023 school year for reasons such as homeschooling, enrollment in private school, or postponing entrance for an additional year, please contact the Student Registration Office at basdregistration@boyertownasd.org.

We look forward to having your child join the Boyertown Area School District.

Sincerely,

Student Registration Office
Boyertown Area School District
