

Boyertown Area School District

Student/Parent/Guardian Acknowledgement and Consent form for E-Readers

In support of Boyertown's goal of a district-wide Bring Your Own Device (BYOD) initiative, we at the elementary level are going to begin with the use of e-readers in our schools. This consent form outlines the guidelines for the use of these devices. All students and their parent/guardian are requested to sign and return this form. Failure to do so will prohibit the student from using his/her e-reader in school.

Please know that when using e-readers in the school setting, students will not be allowed to connect to the district's wireless network. The content for which the student(s) will be using should be pre-loaded prior to coming to school. If students have a 3G/4G or other cellular plan attached to the devices, the district has no control over its usage.

An e-reader is hereby defined as: a portable electronic device that is designed primarily for the purpose of reading e-books and periodicals

When can students use their e-readers?

Students may use these devices at any time provided they have the approval of the classroom teacher.

What happens if a personal device is damaged or stolen?

Incidents should always be reported to an administrator, a teacher or a School Resource Officer. In accordance with [the District's Acceptable Use Policy](#), the District assumes no responsibility under any circumstance whatsoever for the loss, destruction, misuse, or theft of any electronic device, including e-readers, that is brought to school at any time or to any school-sponsored activity.

Students: I have received, read, and understand the district's acceptable use policy as well as the rules about using my e-reader. I will comply with these rules. I have been given the opportunity to get information by the school district and my parent/guardian about anything I don't understand. If I have further questions I will ask my teacher. I understand that if I violate the policy or do not follow the rules of using my e-reader, it is possible that I will be disciplined and will not be able to use my e-reader anymore.
