General Music
GRADING PROCEDURES 2020-2021

Mr. Agatone
Mrs. Boyer
Mrs. Creed
Mrs. Cullipher

Mr. Jordan
Mrs. Rutt
Mr. Yoder

Class materials:

Students should always be prepared for class with their laptop and assignment book.

Grading:

Students will be graded on total points for assignments, assessments and projects in each trimester.

Homework and Class Projects:

Homework will not be assigned in music class. Students will be given appropriate class time to complete projects and assignments and should not expect to complete any work outside of class time.

Making up work after an absence:

Students should contact the teacher and discuss a plan for making up work that is missed due to absence. Together, we will decide what and how work is to be completed.

Film Procedures

Throughout the year, we will be showing numerous excerpts from films and video clips applicable to the general music curriculum. We would be happy to discuss any concerns or questions you may have about these musicals.

iPad Procedures - (once we return to the classroom)

We will be using iPads for various class activities and projects throughout the year. It is absolutely necessary for all devices to be properly used, stored and maintained to ensure that they are in working order when needed. All students must strictly adhere to procedural and operational guidelines for iPad use. Students who fail to follow the instructions set forth by the district/teacher regarding computer use will lose the privilege of using these devices in music class and will be given alternative assignments.
