SURVEY FEEDBACK**

September 7th – Curriculum and Instruction

Was the information presented tonight helpful? YES

“More concrete specifics...to use an example from tonight ‘RTI provides enrichment time for high achievers...’. What kind of enrichment, presented by whom and how do we evaluate its value to those students”

“Utilization of retired teachers”

Was the information presented tonight helpful? YES

“Great introduction (to the budget). Liked the free exchange of questions and RTI information. Maybe could include some specific percentages of costs per mandate/personnel/texts etc.”

September 21st – Professional Development and Technology

Was the information presented tonight helpful? YES

“I never expected the presentations to be this informative from what I read on the flyer announcing these sessions.”

October 5th – Pupil Services and Special Education

Was the information presented tonight helpful? YES

“The sharing of information surprised me; the meeting was very enlightening”

Was the information presented tonight helpful? YES

Suggestion: Special education teachers need an IEP period to manage their caseloads.

Was the information presented tonight helpful? YES

“The session was very comprehensive; there are so many layers of pupil services provided to the students”
