

## BOYERTOWN AREA SCHOOL DISTRICT

*Home of the Bears*

Dear Seventh-Grade Students,

Your teachers hope that you have had an enjoyable and relaxing break from school. We have been getting prepared for another year of learning and growing. We would like to welcome you to seventh grade and to give you some information to help you get ready.

Teachers send students and parents emails with updates through Infinite Campus. Please make sure all your information is up to date and check your email regularly (at least once in the morning and once in the afternoon) throughout the school year. We will also keep in touch through Google Classroom. Students will get each teacher's classroom code on the first day of school. If you are absent, this is where we expect you to check in for all your assignments.

On the first day of school, you will receive an agenda book. You will need to keep this all year long and take it with you to each class. This has your hall passes for the school year and spots to write down assignments. Do your best to stay organized this year by writing all important information and assignments in your agenda book.

We are looking forward to having a great year!
