

HOME ACCESS CENTER

The Home Access Center is a valuable communication tool for sharing information with our families. You may access your child's schedule, attendance, report cards, and view contact information. Student accounts show the same information as parent accounts, but parents are encouraged to set up accounts if they have more than one child in grades K-12 to see those students with the same login.

Please complete the [Home Access Center Registration](#) document by entering the information requested. When you have completed the form, please click the print button, sign at the bottom of the page and mail to the address provided on the form. You may also fax the form to the number provided or take the form to the office in your child's school for processing. Processing should be completed in approximately one week from the day the form is received. You will receive an email with your User ID and Password.

Please contact Mrs. Bobbie Eddinger with any questions or concerns at beddinger@bovertownasd.org or 610-473-1777 (fax 610-369-7543)
