### **ANNUAL STUDENT VERIFICATIONS**

We still have a significant number of parents/guardians who have not completed the annual Student Information Verification process for their student(s).

In the event of flooding, power outages, snow, etc., we rely on this information to communicate with our parents and guardians regarding emergency early dismissals, bus delays, and more. In addition, completing this process allows our health room teams to assist your child in the event of sickness or other unforeseen health situations. Your child's health and safety are of the utmost importance to us. You are a crucial resource! Please take a few minutes and visit <https://www.boyertownasd.org/Domain/1661> to complete the annual process. Thank you in advance for your help!
