To cultivate an exceptional, innovative learning community that enables all students to succeed in a changing world.

Dear Parents and Guardians,

We hope this letter finds you and your family well. We appreciate how hard our families and students are working in our Planned Instruction phase of Continuity of Education. We know families, students and teachers are in regular contact to work through challenges learning virtually and at home. If there are other ways we can help you better support your children, please contact us. We are happy to help.

We know that you have a lot of questions and concerns relevant to planning for the 20-21 school year which include but are not limited to:

- Transition of Grade 5 to Middle Schools
- Transition activities for K-4 students being reassigned to new buildings
- Transition of K-5 Autistic, Emotional and Life Skills Support to new school buildings

We value your questions and concerns and want to provide guidance on the topics listed above, but also are grounded by our Governor's guidance for social distancing and stay-at-home orders. Once we have a clearer vision of when and how we can perhaps congregate in groups in the Commonwealth of PA, we will deliver guidance regarding transition activities. We are committed to developing plans that fully address the needs of our students and families.

Thank you for your patience and flexibility.

Sincerely,

A handwritten signature in blue ink that reads "Brian J. Rohn".
