PSSA's

The federal Department of Education has announced that all states must continue to move forward with plans to have students complete state assessments this year.

Students cannot take state assessments from home and must be physically in the school building to take the tests.

We are working to update our plans and timelines for PSSAs and Keystones. More details will be available soon. If you have any questions about state assessments or your child's participation in the state assessments, please contact your child's school counselor or building administrator.
