

This Month in 5th grade

We are learning:

Reading: Students have been reading and discussing, as a whole class, the novel *Home of the Brave*. Students will also continue to meet in their small book clubs.

Writing: Students have been working to write personal narratives and will be publishing final drafts. Our focus has been on being as descriptive as possible, and “showing, not telling” our details.

Word Study - Students will have their next test on Friday, 10/4 for unit 3. The tests will come home graded Monday. I ask that you sign them if possible, and return them to me that week. We work on the unit for 2 weeks in class, and will have a test at the end of every 2 weeks.

Math: Students will be working on multiplication and division of both whole numbers and decimals.

Science: Students have been working on, and will continue, with their Solar Energy Unit

Social Studies: Students will study Native Americans in this unit.

Important Reminders

October 14th : No School for Students

October 23rd : Early Dismissal

November 1st : Fall Harvest Classroom Celebration (afternoon)

November 1st : Parent Visitation- more information to follow

November 21st, 25th, and 26th : Parent/Teacher conferences.

Please contact us in regards to setting up a time.
