

MEET THE Teacher

Hello students and families!

Welcome to 9th and 10th grade English. My name is Stacey Ellixson and I will be your ELA teacher for the 22-23 school year. I am looking forward to getting to know you, but first here is a little more about me. I am originally from the Upper Perk area. I attended Kutztown University where I received a Bachelors of Science in Secondary Education/English. I also hold a Master of Education Degree from Penn State in K-12 and ESOL. This is my 22nd year of teaching and my 7th year at Boyertown.

For both ELA 9 or 10 class each day, you will need to have a charged laptop, folder/binder, and something to write with. Please be sure to leave your cell phone and earbuds in your backpack when in class. To be successful this year, please keep up to date with class assignments that can always be found on Google Classroom. Always ask for help when you need it!

I am looking forward to a great school year with you. If you ever have any questions, please contact me via email, or we can arrange a time to talk in person or via phone.

Mrs. Stacey Ellixson
