East Parent/Guardian Welcome to Grade 6 Night (Thursday, April 2) – 7:00 PM East Auditorium

Grade 5 parents and guardians are invited to an evening program to hear about the transition from elementary to middle school. Although the presentation is geared toward adults, fifth graders are welcome to attend. See you in the MS East Auditorium at 7:00 PM on April 2!

West Parent/Guardian Welcome to Grade 6 Night (Thursday, April 2) – 7:00 PM West Auditorium

Grade 5 parents and guardians are invited to an evening program to hear about the transition from elementary to middle school. Although the presentation is geared toward adults, fifth graders are welcome to attend. See you in the West Auditorium at 7:00 PM on April 2!

Boyertown Area Unity Walk- (Saturday, March 21)

This year is the 16th annual Unity Walk. The walk will be held on Saturday, March 21, 2020. The event will run in conjunction with the Wellness Council of Boyertown's Annual Wellness Fair. The walk will begin at the Boyertown Area Senior High School Main Entrance. Unity Walkers are encouraged to organize a walking team. Four teams will be selected to win a \$100 donation towards their favorite charity. Each walking team with 5 people or more will be entered in the drawing. If you would like to create a walking team in advance, please contact the United Way office at (610) 367-8716. On the day of the event, registration for walking teams will begin at 8:45 AM.

Participants are encouraged to stay for the Wellness Council's Running of the Bears event and the Wellness Fair. The Running of the Bears will begin following the walk and the Wellness Fair will be from 10AM-1PM at BASH. Students who participate in the Unity Walk will get bonus points for walking in addition to their laps in the Running of the Bears Event.

This is a great opportunity to show the strength of community in Boyertown. Please join me and many others at the walk to demonstrate our appreciation for diversity and our desire for acceptance for all.

Procedures for Hazardous Weather Conditions

Hazardous Conditions Developing During the Night

Please click link below to see "Emergency Closing and Delays" information on the district website.

<https://www.boyertownasd.org/Page/666>

Parental Responsibility

When weather conditions appear to warrant closing schools early, parents are urged to anticipate such action in order that they may be at home to receive the children when they arrive. **Kindergarten students will only be released at their bus stops to the adults listed on their green kindergarten transportation form. If no one is available to meet the kindergarten students, they will be returned to school.**

BASD Information Line

By dialing 610-369-7669 or logging onto the district website (<http://www.boyertownasd.org>), parents/guardians will be informed of current information regarding the status of the district's schedule depending on conditions.

Infinite Campus®

The Infinite Campus Messenger Service (email, telephone, and text messaging system) will be used to complement our emergency preparedness procedures to communicate emergency delays or closings to parents and guardians. It is important your school has all your current telephone numbers, so you will not miss any important communications. We are utilizing your phone numbers from our student information system. If you change your telephone numbers anytime throughout the school year, please remember to update them with your child's building secretary.

Delayed Opening

If there is a two-hour delay, AM kindergarten will be bused to school with grades 1-5 and will remain at school until the afternoon kindergarten students arrive (approximately 12:40 PM). The morning kindergarten classes will be transported home approximately 1 hour and 20 minutes later than normal. PM kindergarten will have a regular schedule with dismissal at school's closing time.

On this modified schedule (2-hour delay), the AM Kindergarten student will have a very late lunch at home. Parents may wish to send a light lunch with the child. Milk can be purchased by the student. Prices are available on the district website.

Hazardous Conditions Developing During the Day

When weather conditions warrant doing so, a decision to close schools will be made as soon as possible. Middle school students will be dismissed first, followed by the senior high school students. Elementary school students will be dismissed as soon as the buses arrive.

In some instances, the school district may reverse this procedure by allowing the elementary students to be dismissed first. In either case, announcements will be made that will detail the plan. **Afternoon kindergarten classes will not meet on days when schools are dismissed on the above schedule.**

When school is closed, all school and community activities in district buildings are canceled.

Important Reminder:

If your child will be absent or late, please email the attendance secretary (attendanceBES@boyertownasd.org) or visit the BES website to electronically report the absence. **If you call the attendance line, you will need to follow up with a written note.** You must report the absence every day your child is out.

From the Nurse

February is National Children's Dental Health Month. According to the CDC, even though tooth decay has been on the decline for the past 30 years, it is still one of the most common chronic diseases for children from age 6 to 19. Developing good habits at an early age and scheduling regular dental visits helps children to get a good start on a lifetime of healthy teeth and gums. A dental health care provider will introduce and reinforce important treatments and habits for preventing decay, tooth loss, and gingivitis. A visit to the dentist will include an exam and thorough cleaning, instruction in proper brushing and flossing, systemic or topical fluoride treatments, and sealants on permanent molars. It is recommended to see a dentist every six months. Parents play an important role in their children's dental health. They need to reinforce good oral hygiene habits such as brushing and flossing at home with their children. Make sure your child brushes their teeth at least twice a day with a fluoride toothpaste.

Attention Kindergarten and 3rd grade parents: Dental exam forms are now due. If you have not yet met this state mandated requirement, please make sure to return your child's dental exam form to the nurse as soon as possible. Please contact the school nurse with any questions

Attention Kindergarten parents: Physical exam forms are now due. If you have not yet met this state mandated requirement, please make sure to return your child's physical exam form to the nurse as soon as possible. Any questions about physical exams, please contact the school nurse.

Dental and Physical Exam Forms: Dental exams are PA state mandated for entry to school/ K, 3rd and 7th grades. Physical exams are PA state mandated for entry to school/K, 6th and 11th grades. These forms have been sent home for completion for the 2020-2021 school year. Any exam performed after 9/1/2019 will count for the 2020-2021 school year. Please send completed forms to the nurse at any time.

A Few Reminders:

Cough drops: Elementary students are not permitted to bring cough drops to school under any circumstances. Please refer to the BASD policy in your Parent Handbook to review the policy.

Medication during school hours: If your child requires medication during school hours (this includes any prescription medication and/or over the counter preparation, for example, Tylenol, Ibuprofen, Cough Syrup) we need parent permission as well as a doctor's order. The order from the doctor must include the child's name, the name of the medication, the dosage and the time the medication is to be administered. Once all paperwork is completed, the medication, along with the paperwork, must be brought to school in the original container and by an adult. If these steps are not followed, we will not be able to administer the medication at school. No medication will be accepted at school without the proper paperwork on file. Please refer to the student handbook or the district website at www.boyertownasd.org for all requirements and the district Medication Authorization Form.

Recess: Please remember coats, hats, and mittens for recess time. Students will be going outside for regular recess.

Health Updates: Please notify the nurse if there are any changes in your child's health status. We would like to keep your child's health record current and up to date to ensure proper care while your child is attending school.

Please keep your Emergency information current: Anytime you have phone number changes, either at home, work, or for an alternate, please update the information in infinite campus so your child's emergency information is current. If parents are away and students are being cared for by another adult other than a parent or guardian, please contact the health room/office with the information.

BASD Wellness Committee Sponsors the “Nutrition Habit Challenge” - February 2020

Do you need help to keep those New Year’s “Eat Better” resolutions? Then the Nutrition Habit Challenge is for you!

The BASD Wellness Committee would like to invite all BASD students and their families to participate in a FREE challenge. The Nutrition Habit Challenge is designed to help you improve your nutrition habits. The goal is to commit to one nutritional behavior you would like to change and stick with it for the month of February. Winners will receive prizes! Directions and the registration link are posted on our website at <https://www.boyertownasd.org/Page/5628> (Registration Deadline – February 2)

Nutrition Habit Challenge

February 3 – March 1, 2020

Join the BASD Wellness Committee for the Nutrition Habit Challenge ... and become eligible to win “healthy” prizes!

The objective of the Nutrition Habit Challenge is to educate, motivate and inspire our staff, students, and community to take personal responsibility for improving health habits. Our hope is that you become an advocate for the Challenge by participating and encouraging your family and friends to do the same.

By participating in the Challenge, you win by making a positive change to your diet/lifestyle and be entered into drawing for “healthy” prizes.

Here is how it works:

- Register for the Challenge ([here – NHC Registration](#)) by 2/2/20. Registration is free and simple.
- Commit to one nutritional behavior you would like to change. You can choose from a list of nutritional behaviors ([Nutritional Commitments](#)) or come up with your own.
- Keep track of all days you successfully practice your nutritional behavior between the dates of February 3rd and March 1st. If you are successful for 25 out of 28 days, you become eligible for the prizes.
- Email your score card ([NHC Scorecard](#)) to wellness@boyertownasd.org or send to the Ed. Center (Attn to Lucie Bergeyova)
- Find more information at <https://www.boyertownasd.org/Page/5628>
- Winners will be announced on 3/11/20.

Get your family together and discuss what each of you can do to make healthier nutrition choices. From there, make simple commitments, get registered, and hold each other accountable. Not only will it be fun, but also you will be modeling personal responsibility and leadership for those you love. It is also an opportunity to model and practice integrity...the Challenge is done on the honor system.

We hope we can count on your active support.

Thank you.

The BASD Wellness Committee

Cold Weather Guidelines

The cold weather is here! Please be aware that when the wind chill factor is 18 degrees or below, we keep the children inside and they have “indoor recess”. **Above 18 degrees, children will have outdoor recess.** Please be sure to dress your child accordingly and to put their names in their hats, scarves, gloves, mittens and coats. Shorts are no longer considered appropriate attire during the winter months. Thank you for your cooperation

Breakfast Available!

Did you know that students can buy breakfast daily? Check out the attachment from the Food Service Department for more information.

This can also be found by going to the district website, clicking on "Parents/Community" and then selecting "Community Bulletin Board".

For continued reminders:

Student Car Rider Line

If you drive your child to or from school, you will have noticed many more cars this year. Due to the increase in cars, I wanted to take a moment to review our procedures.

- During morning drop-off and afternoon pick-up, please be sure to pull all the way forward before loading or unloading.
- Our morning drop-off area is from the light post to the crosswalk. Please be sure to pull forward and unload once you are in that area.
- If your child needs help loading or unloading, please park and help them across the crosswalk.
- Please teach your child to load and unload on the sidewalk side to help ensure safety.
- When pulling away, be sure to use caution because of pedestrians.
- The Car Rider Line is intended for cars to pick-up. Not for walk up service. Please **DO NOT** park and walk the car line.

All these helpful points are to keep our students safe.

Arrival and Dismissal

Students should not arrive at school prior to 8:25 AM unless they are working with a teacher on a special project or in a special program.

Just a reminder...

Cars should NOT enter the front driveway between 8:15 and 8:45 AM and 3:00 and 3:45 PM.

*****If you are parked in the front driveway during bus arrival or dismissal, **DO NOT** move your car until the buses are gone. We have had many nuisance accidents due to people trying to squeeze out during dismissal.

PSSA Test Dates

PLEASE DO NOT PLAN TRIPS DURING THE STATE TESTING DAYS!

The Pennsylvania System of School Assessment (PSSA) tests will be administered to all 3rd, 4th, & 5th grade students from **April 20th – May 8th, 2020.**

NO TRIPS WILL BE APPROVED FOR 3rd, 4th or 5th GRADE STUDENTS BETWEEN THESE DATES.

Educational Trips during the school year

If you are planning a family trip that will infringe on school attendance, (even for 1 school day) please request an **Application to be Absent from School for an Educational Trip or Tour Form** in **advance**. Forms can be found on the district website under Parents/Community – Forms or you can use this link: [Elementary Trip Form](#)

Complete the form and return to the office for approval from the principal. Permission for non-school trip requests must be **submitted at least 2 days prior** to any trip taken for it to be counted as an excused absence. Parents are strongly encouraged to defer trips with their child/children to non-school days. **Please the District Elementary Handbook for Absence for Education Trips.**

Attendance Policy

Please read carefully, as a phone call alone will not suffice as an excused absence.

The Boyertown Area School District recognizes that attendance is an important factor in educational success. Our district attendance policy has recently been updated in compliance with state and federal mandates. Details regarding attendance policies and procedures can be found on the BASD website under school policies and the elementary handbook.

Procedures for reporting and documenting absences have become more stringent as a result of the federal government's Every Student Succeeds Act (ESSA). Parents are now required to do one of the three procedures written below. Please read them carefully:

1. Parents/guardians may send an email to attendanceBES@boyertownasd.org from the email address of the parent/guardian on file with the district by 9:00am on any day that their child will be absent or tardy. This form of communication will not need a phone call or follow-up hand written note.
2. Parents/guardians may use the district website/app and fill out the absence note by 9:00am on any day that their child will be absent or tardy. This form of communication will not need a phone call or follow-up hand written note.
3. Parents/guardians may call the attendance line 610-369-7462, option 2, by 9:00am on any day that their child will be absent or tardy. However, **absences must now also be followed up with a handwritten parent note or doctor's note within three days of the student's return to school.** Failure to submit the appropriate note within three days will result in the absence being coded as unlawful, and this coding cannot be reversed even if a note is handed in after the three-day window. Once a student has received three unlawful absences, a truancy elimination plan may be enacted. This plan could lead to a citation from the District Magistrate.

A handwritten parent note or email communication for verification of absence is acceptable for the first 10 days of absence per school year. Any further absences require a doctor's note. Handwritten notes may be sent in to school with your child. However, it is your child's responsibility to present the note to their teacher or school secretary to be handed in to the office. Other acceptable ways to turn in a note are for a parent to drop it off personally to the school office between the hours of 7:45am-4:30pm or to scan the handwritten note and email it as an attachment to the school attendance secretary attendanceBES@boyertownasd.org.

In the past, there have been occasional situations in which families have forgotten to submit an educational trip form for approval prior to their trip. Failure to submit a trip form prior to departure will result in trip days being counted as an unlawful absence. Trip forms continue to be available in the school office as well as on the BASD website.

We recognize that this represents a change from prior procedures. Therefore, reminders of these new procedures are also available via individual buildings' monthly e-newsletters, list serv messages, and school Twitter and Facebook accounts. Thank you for your cooperation as we enact these new requirements. We look forward to working with you to help our students succeed in a changing world.
