**DURING THE DAY**

When weather conditions warrant doing so, a decision to close schools will be made as soon as possible. Junior high school students will be dismissed, followed by the senior high school students. Elementary school students will be dismissed as soon as the buses arrive. In some instances, the school district may reverse this procedure by allowing the elementary students to be dismissed first. In either case, announcements will be made that will detail the plan. Afternoon kindergarten classes will not meet on days when schools are

dismissed on the above schedule. When school is closed, all school and community activities in district buildings are canceled.

**PARENTAL RESPONSIBILITY**

Parents are expected to anticipate early dismissal due to inclement weather and to make appropriate provisions for their children.

**BASD INFORMATION LINE**

By dialing 610-369-7669 or logging onto the district website ([www.boyertownasd.org](http://www.boyertownasd.org)), parents/guardians will be informed of current information regarding the status of the district’s schedule depending on conditions.

**Medication during school hours:** If your child requires medication during school hours (this includes any prescription medication and/or over the counter preparation, for example, Tylenol, Ibuprofen, Cough Syrup) we need a parent note as well as a doctor's order.
