Grade 1

Grade 2

Grade 3

Grade 4

Grade 5

Grade 6

Learning to Read and Write in the Primary Classroom Booklet

General Curriculum includes:

Reading- Fiction and Non-Fiction genres are covered emphasizing concepts like characters, setting, plot, and problem vs. solution. The children will participate in reading workshop, guided reading and Daily 5 activities.

Writing- We will write personal narratives, how-to reports, opinion pieces and friendly letters. We start cursive writing in December.

Science- The children will complete the following kits: Investigating Objects in the Sky, Balance and Motion and New Plants.

Social Studies- We study communities.

Math- We study the following concepts: addition/subtraction, geometry, time to the 5 minutes, money, comparing numbers, problem solving, measurement, and numbers to 1,000.
